NOTE: NSG 10&U and JNR 11&U DIVISION players are to be rotated evenly through all positions during the grading and development rounds. If however, players have not been rotated evenly through these rounds the rotation policy still applies for the non-rotation round (usally final 5 games).

NOTE: NSG 7&U, 8&U and 9&U players must be rotated evenly trhough <u>ALL</u> positions throughout the season. A player may remain in the same position for TWO consecutive quarters. If continuing to play they MUST change positions.
