QUINNS CATCH UP

A WORD FROM OUR PRESIDENT

The 2017 AGM was held on Wednesday 25th October at Gumblossom Hall. Thank you to all members that attended.

I'm very pleased to have been elected to lead the club as President for another year and to represent Quinns Districts Netball Club within the Association.

Welcome aboard to our 2018 committee. Thank you to our newly elected members for taking on roles within the Club. It is fabulous to have new members on board and equally pleasing to have returning members on the committee.

The committee provides the foundation for our club and together I hope we can continue to build and make QDNC a successful, inclusive and fun Club for all players and members involved.

"Together we can achieve so much more".

Regards

Michelle Martin

The club will support you toward your umpire qualification. You will be required to complete an online component and attend an information session.

Qualified umpires are paid for games they officiate, If this sounds like you, please contact the Club on the following email umpirecoordinator@quinnsnetballclub.net

QDNC MILESTONE MEDALS

Did you know QDNC reward our players with milestone medals? This is a new 2017 initiative from the Club to acknowledge and reward loyalty of players who have played long term with Quinns.

Players that have played 50 games, 100 games, 150 games (or more) will receive one of our new custom QDNC medals. Medals are presented at the end of each Winter season.

Don't they look fantastic!

"UMPIRE RULE TIP"

Over the third/untouched is called when the ball travels over a third without any interception - this can mean passed from the baseline out of court of the goal third to the centre third, or from the centre pass into a goal third. Any player touching the ball between this pass negates the call, so make sure to always go for the ball regardless if you think it's going to go over a third."

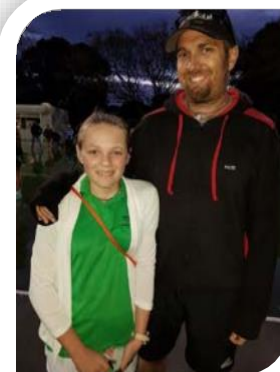

THE GREEN SHIRT UMPIRE PROGRAM

The Green Shirt Umpiring Program is a practical umpiring course aimed at developing and training beginner umpires, of all ages. Introduced to netball associations in 2007, the program has continued to grow, introducing an increasing number of individuals to umpiring and assisting to develop their umpiring.

The program is again being run at JNA during Spring season 2017. Its aims to:

- Make new officials easily identifiable, so that they are easy to recognise and support.*
- Raise awareness and increase the recognition and support for new umpires.*
- Assist in reducing the pressure and lessening abuse and conflict directed toward new officials.*
- Create a culture of support for these new officials through the education of players, spectators and coaches.*

Umpires participating in the 'Green Shirt' program, will be wearing a green shirt whilst umpiring games. Green shirt umpires will only be umpiring 10U and 11U games this season. Please provide your support and understanding for these new and developing umpires
